Where Milton Mount Primary School is over-subscribed for any year group, applications for entry in 2027/2028 will be ranked in the following order:-

Oversubscription Criteria

- The tie-break used is a straight-line distance. All distances are measured by a straight line from the school to the child's home address, using Ordnance Survey data within the curtilage of the property.
- Where priority is given for a sibling, brothers or sisters may be half or stepsiblings (by marriage or co-habitation) or foster siblings but must be living permanently at the same address.
- West Sussex County Council only gives sibling priority if the older sibling will be at the school at the time of application and will still be in the school (years 1-6 for primary) at the time of admission. **It is the parent's responsibility to tell the Pupil Admissions Team about sibling links in their application.**

- Siblings of children who have been refused a place at their catchment school because the school was oversubscribed at the point of application will be treated as living in the catchment area for the school allocated when they apply for starting school. This will only apply if an application was made for the catchment school and the place refused in writing. It is the parent's responsibility to indicate these circumstances in their application.
- West Sussex County Council gives priority to children of staff in either or both of the following circumstances (following section 1.39 of the School Admissions Code):
 - a) where the member of staff has been employed at the school for two or more years at the time which the admission to the school is made, and/or
 - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

It is the parent's responsibility to indicate these circumstances in their application, and they should complete the attached Supplementary Information Form.
