

Duncan Morley - Profile

I am completely new to this role having joined the Governor team at the end of 2020. My daughter is currently in Year 2 and loves the school.

I am now fully retired having worked with a variety of public sector organisations for 38 years, including a number of senior leadership roles.

I was keen to use my experiences of the public sector to support the school and the leadership team in delivering the very best education for our children. As the school has become part of the Greensand Multi Academy trust I think there are some wonderful opportunities for the school moving forward.
