

Your child needs to develop their skills in
ORALLY BLENDING

Your child needs support with learning to blend sounds orally. We call this 'Fred Talk'

This is where an adult says sounds and the child can blend them together and hear what the word is.
This is the step that comes before being able to read words.

Please use the QR codes below to provide your child access to videos that will help them learn to orally blend.

Fred's fridge 	Fred's farm 	Fred's feelings 
Fred's bedroom 	Fred's actions 	Fred's woods 
Fred's colours 	Fred's food 	Fred's actions
