I have read, understood and discussed with my child the school rules on mobile phones, as below:

- **Phones must be clearly named/identifiable**
- **Phones must be turned off on entering the KS2 playground at the start of the day**
- **Phones must be handed to the class teacher at registration**
- **Phones must only be used on school premises at the end of the day for safety reasons such as contacting parents/carers (not for browsing, games, photos, social media etc)**
- **The school is not responsible for any loss or damage to mobile phones whilst on the school premises**

I accept that permission to bring a mobile phone may be withdrawn at any time by a member of the senior leadership team. Reasons for withdrawing permission may include failure to respect the school rules on mobile phones and/or other unacceptable behaviour.

I understand that, should mobile phone permission be withdrawn, alternative arrangements will have to be made if there are health and safety concerns about my child walking from school.
