

## Nicole Smith

I am one of the teachers here at Milton Mount. I joined the school in September 2014. Prior to joining Milton Mount, I was teaching in Tunbridge Wells. I have experience teaching in both Key Stage 1 and Key Stage 2.

Being in my 11th year of teaching, I feel that I have gained certain skills and experience which could benefit the governing body. I am passionate about teaching, giving children the best possible experience at school as well as helping to develop the many strengths of the school further.

I am new to the role of being a governor and I am enjoying learning more about the management of the whole school. I am excited about our future as part of the Greensand Multi-Academy Trust and all of the possibilities that this presents for our school.
