Ollee – Digital Friend App

Ollee is a digital friend for children aged 8-11 – created by Parent Zone and funded by BBC Children in Need's [A Million & Me initiative](#). It helps them explore feelings around school, family, friends and the world – and share advice with a parent or trusted adult. Children can tell Ollee how they're feeling and it will give them ideas about what to do. If they're not sure, Ollee will help them figure it out. Together, parents and children can share Ollee's advice and talk about feelings together through connected accounts.
